March 2023

Hello Parents and Families,

It is almost spring! I hope everyone is having a wonderful week. February flew by, and soon it will be summer before we know it!

- This month is **Inclusion Awareness Month**, and we are partnering with *Scottish Rite Hospital*, which is a hospital that focuses on various orthopedic conditions as well as neurological and learning disorders. You can support this month by participating in our pizza night or offering a donation!
- An exciting congratulations to Ms. Antania for accepting the Assistant Director Position. We are thrilled to have her in this new role, and know she will continue to make this school excellent! Please congratulate her when you get the chance!
- We are in need of a few different parent volunteers this month, so please stop by the front desk if you are interested!

Audrey Maciel, Director
