Preschool News

School is finally back in full swing and we are so excited about what the 2019-2020 school year has in store. I would like to welcome our new and existing families as we settle back into our school year routine.

We have officially began our Frog Street Press curriculum in all classrooms from our Newborns to our Pre-K 2 class so please make sure you are checking your child's folder or cubby every day for the work your child has completed. We start our curriculum after breakfast which is at 8:30 a.m. Please have your child here by then so they will get the full benefit of our wonderful curriculum.

We hope to make this year a fun and rewarding time for all of our students, staff and families. With everyone's help and involvement I know it will be a success!

A Few Side Notes:

- Please do not bring any toys from home. Not only do they distract from the classroom activities but we also do not want anything to go missing.
- Breakfast is at 8:30 a.m. If you would like for your child to have breakfast with us, please make sure they are here by then.

SPOTLIGHT ON STAFF

Our Summer Camp Teachers, Mr. William, Ms. Jakayla & Ms. Paulina were selected by our family of employees as the August employee of the month.

To put it simply, they were the reason we had such an amazing summer camp!! Each one of them are extremely hard working and are willing to go above and beyond to insure each child is having the time of their life. They were all loved by every child in our Summer Camp which was evident by all the tears on the last day. We are so lucky to have each of these fantastic people on our Tree House Team!
