Kids Reports/Emails

With launching our new program, Kid Reports, we want to make sure all of our parents have been set up! This is how you receive your child's daily reports. If you are not receiving them or need help please talk with Management!

Also, we have been sending weekly emails out with upcoming events and important reminders. If you do not receive those please double check in the office that we have a correct email on file. Thank you so much!

Grandparents Day Snack

For Grandparents Day, we will be inviting our Grandparents to come and enjoy a snack with their grandchild(ren) on September 6th from 3:15pm-4:00pm. Please pass on the word to our favorite Grandparents!

Friendly Reminders:

*Tree House will be CLOSED Monday, September 2nd in observation of Labor Day. We hope all of our families enjoy the long weekend!

*We will be celebrating Grandparents Day on September 6th!

*If your child has a fever of 100 degrees or higher they must be sent home for 24 hours. They can only return when they're 24-hour fever free/medication free.

*3 diarrheas and your child must be sent home. The 24-hour policy pertains to diarrhea as well. The only way a child can come back to the center is if they have a doctor's note stating the diarrhea is due to something that is not contagious.

Our Frog Street Curriculum is in full swing! In order for your child to get all of the learning experience possible, they need to be here by 9:00am. In most of our classrooms, group and curriculum start at 9:00 am.

As a general rule for the whole center, your child must be here by 10:00 am unless you have talked to management about being late. they will not be able to return for the day.
