Preschool News

Welcome to September and the official start of the school year! We hope to make the 2020-2021 school year a fun and rewarding time for all of our students, staff and families. With everyone's help and involvement I know it will be a success!

We have officially began our Frog Street Press curriculum in all classrooms from our Newborns to our Pre-K 2 class so please make sure you are checking your child's bag and Kid Reports for assignments and your child's completed work. We start our curriculum after breakfast which is at 8:30 a.m. Please have your child here by then so they are able to get the full benefit of our wonderful curriculum.

September also marks the beginning of the Fall (Autumn) Season and the start of cooler weather. Please make sure to send "weather appropriate" changes of clothes labeled with your child's name on them.

A Few Side Notes:

- Please do not bring any toys from home. Not only do they distract from the classroom activities but we also do not want anything to go missing.
