Preschool News

Hello THA families!!! A very happy September to you all. We are super excited for this year of learning fun. All classes started their curriculum on August 24th and they are settling in nicely to their new classrooms. Just a friendly reminder, breakfast is served at 8:30am with lessons following promptly at 9 in all classrooms. We would love for your child to be here for all morning activities. We are looking forward to a very productive year.

Schoolers – KISD is a little different this year. As we continue to navigate through uncharted waters, we want to ensure you that we are doing everything we can to promote a happy and structured learning environment for your virtual learner. Please make sure your child has all necessary materials to start their day, ie: laptop/tablet with charger, head phones, zoom schedules, class schedules and passwords.

One last thought- We would like to take a moment to thank you all for your continued support during this time. We know it is difficult to drop your student off at the door and not be able to come inside and see them off for the day. And we sure do miss our morning chats with each and every one of you. We are hoping to get back some of our normal routine soon. We will let you know when that time comes. Have a great month!!!

Grandparent's Cookie Day

"Please stop by for a yummy treat"
