

September 2020 Newsletter

School Age Virtual Learning And After School Care

Students doing virtual learning must be at the center NO LATER THAN 8:30am. They need to have all of their supplies, devices, headphones, and a mask. All schoolage students will be required to wear a mask while in the building.

Students in before/after care will be required to wear their masks in the van and in the center. They will use hand sanitizer upon entering the center, along with having their temperature checked.

Pick Up/Drop Off Procedures

At this time, we are still not allowing parents in the building. During this time, we thank you for being patient with us as we get your child and their belongings for you in the evenings.

Friendly Reminders:

***Tree House will be CLOSED Monday, September 7th in observation of Labor Day. We hope all of our families enjoy the long weekend!**

***With Covid still around, if your child has a fever of 99 degrees or higher, they must be sent home for 24 hours. They can only return when they're 24-hour fever free/medication free.**

***3 diarrheas and your child must be sent home. The 24-hour policy pertains to diarrhea as well. The only way a child can come back to the center is if they have a doctor's note stating the diarrhea is due to something that is not contagious.**

Our Frog Street Curriculum is in full swing! In order for your child to get all of the learning experience possible, they need to be here **NO LATER THAN 9:00am**. In all of our classrooms, group and curriculum start at 9:00 am.

We understand that may not be possible every day. If your child has an appointment and will arrive after 10am, please let us know ahead of time. Thank you!

If your child leaves, they will not be able to return for the day.

Upcoming Events

**CLOSED-
Monday, September 7th**

**Beautiful Feet -
Every Monday at 10:00 am**
