### Enrollment Letters

We will be passing out letters that will help us with planning our van schedule for the upcoming school year. We will pass out the letters on the 6<sup>th</sup> and we ask that they be turned in no later than the 16<sup>th</sup>. It is crucial that you turn in these papers asap to ensure we can accommodate any changes that need to be made and allow us time to evaluate what schools we need to transport to in the fall. We will let everyone know the week of July 9<sup>th</sup> which schools we will be transporting to. Each school will need three or more children for us to transport to a school.

### Dates to Remember:
