### SPOTLIGHT ON STAFF

Our management team would like to recognize our entire group of teachers/staff for the fabulous job they have done this past year and a half.

They came to work, day in and day out to provide the best environment for our students, guaranteeing that each child had as much normalcy as could be provided. We couldn't have gotten through this very tumultuous time without their commitment and love for the kiddos in our care.

We appreciate everything they have done and continue to do for us as we begin this new school year. Please help us in thanking them for being the awesome, amazing individuals that they are!!!
