Preschool News

Welcome to September and the official start of the school year! We hope to make the 2021-2022 school year a fun and rewarding time for all our students, staff and families. With everyone's help and involvement I know it will be a success!

We have officially begun our Frog Street Press curriculum in all classrooms from our Newborns to our Pre-K 2 class so please make sure you are checking your child's bag and Kid Reports for assignments and your child's completed work. We start our curriculum after breakfast which is at 8:30 a.m. Please have your child here by then so they can get the full benefit of our wonderful curriculum.

September also marks the beginning of the Fall (Autumn) Season and the start of cooler weather. Please make sure to send "weather appropriate" changes of clothes labeled with your child's name on them.

A Few Side Notes:

- Please do not bring any toys from home. Not only do they distract from classroom activities, but we also don't want anything to go missing or get damaged.

SPOTLIGHT ON STAFF

Ms. Essence and Ms. Ta'Niya, our amazing office managers, were selected as our August employees of the month!!!

These two ladies help to keep the gears operating around the building. From starting dance parties in the middle of the day to running and getting supplies that our teachers need, you can count on them to be around whenever they are needed.

They help to keep the day running smooth and we wouldn't be able to be the awesome school we are without them. Join us in congratulating them on a fantastic job well done!!!
