November 2021

## Preschool News

November promises to be just as exciting around our halls as October, but like the month's past, we will continue to take the precautions needed to keep everyone healthy and safe. We will have our Annual Thanksgiving Lunch, but like last year we will only be able to accommodate our children and staff for the Feast. With these continued changes, we still want to share with our children what makes them special and a blessing, not just to us in the building but to you as parents and families. With that being said, we will need some outside parent participation throughout the month. Please keep an eye out for instructional emails and notes to come your way.

### A Few Side Notes:

- With the weather turning colder it is especially important that you are sending your child with a jacket everyday so that he/she may enjoy their outside time. It is also important you send a weather appropriate change of clothes in your child's bag. Remember to label all extra clothes and jackets that you send to school.
- **Illness Policy:** We want to keep all our children and staff healthy this upcoming winter, so if your child is running a fever of 100.4° or above and/or is exhibiting any signs of illness, please remember to keep your child home. All children must stay out of care for 72 hours if running a fever over 100.4° and/or exhibiting any signs or symptoms of illness.
- If you wish to use available vacation credit for time off during the holidays, please make sure to request it at least a week in advance or we will not be able to give you the credit.

### SPOTLIGHT ON STAFF

Ms. Emma, our Preschool 1 teacher was voted by our Family of Employees as our October Employee of the Month. In the year that Ms. Emma has been with us, she has made a lasting impression on our building. She is extremely hardworking and takes great pride in the job that she does.

Ms. Emma is patient, loving and kind to each and everyone of her students and does all she can to teach and entertain them throughout the day. Her versatility to fit in wherever she goes make her an extraordinary teacher.

She is flexible and willing to come into work whenever she is needed. We don't know what we would do without her. Please join us in congratulating Ms. Emma on a job well done.
