## Preschool News

Fall is finally here and hopefully the cool weather will come to stay. Although COVID-19 has changed a lot of our "normal" activities, we still have several fun activities for your child to participate in, so please check out our "Dates to Remember" and weekly email reminders.

Because we are still in the midst of a pandemic, we have again decided to cancel our Annual Fall Festival. This was a very sad and hard decision to make but one we felt had to be made for the safety of our children, staff and families. We are planning on having in-house trick or treating for the children the same day we have our costume parade scheduled so we will be requesting candy/treat donations.

We are decorating our building to help get into the festive mood and will continue with the scheduled "in house" activities as planned. Our only hope is that this pandemic will come to an end and we will be able to get back to our normal "family" activities as we miss having everyone together in one place!!!

### A Few Side Notes:

- As the weather starts to get cooler please make sure you bring your child a jacket and that their change of clothes is weather appropriate.
- Please do not bring any toys from home as they cause a distraction in the classroom and havoc if it should go missing.

### SPOTLIGHT ON STAFF

Ms. Brianna, our Preschool 1 teacher, was selected by our family of employees as the September employee of the month.

Ms. Brianna is a dedicated and loyal part of our Tree House Family. Ms. Brianna has assisted the front during morning drop off as a greeter and runner and juggles learning every family while helping to be a liaison between them and the teachers. When she is not assisting at the front, she is an amazing Preschool teacher who uses her creativeness for fun activities and getting her students ready for PreK. We love Ms. Brianna and are so lucky to have her here with us. Please join us in congratulating her on this well deserved spotlight!!!
