Preschool News

Welcome to the middle of summer and the extreme Texas heat that is upon us. With the temperatures rising, especially in the afternoon, it is very important that we keep our children hydrated and protected while still allowing them to enjoy their outside time. Therefore, we will still be going out in the morning, and depending on the temperatures in the afternoon we will cut the time in half or not go out at all. While outside, the children will be provided water every 10 minutes, and sunscreen will still be applied 30 minutes before outside time.

A Few Side Notes:

- All children need to be in attendance by 10AM. If you need to drop your child off later than this, you must notify the center no later than 9AM.
- **Summer Camp Reminders:** Please check the front door for Field Trip Times and Locations. Wear the current Field Trip Shirt on all Field Trips and provide sunscreen for all outside field trips.
- To participate in Splash Day, you must have **water shoes**, come in your bathing suit/ shorts, towel, change of clothes and a bag to put all wet clothes afterwards. All items must be labeled with your child's first and last name.
- All vacations must be requested before the vacation is taken in order to receive accrued vacation credit.

Spotlight on Staff

Ms. LuLu, our amazing cook, was selected by our family of employees as the June employee of the month. Ms. LuLu spoils our entire school with her yummy cooking and all the love she puts into everything she prepares. She is sweet & patient with the kiddos throughout the entire school and you can tell they absolutely adore her. Ms. LuLu is an extremely hard worker and is very passionate about her job, which is evident with her quick Spanish lessons as she serves her food. We are so incredibly lucky to have her as a member of our Tree House team and appreciate all she does for us!!!
