

Tree House Academy Newsletter 2022

Hello THA families!!!! Well....we made it to another "Hot" month. Can you believe summer is almost half way over. We still have many fun things planned for the month of July. Please check the front for notices of upcoming events as well as your monthly calendars. Due to the extremely hot temperatures, we are limiting outside time to 10-15 minutes at most in the pm. If it is too hot, the students will have an alternate activity or an extra indoor play time. Cold water is available all day. However, you can bring your child their own labeled water bottle. We hope you all have a wonderful month. Stay COOL!!!

REMINDER

- Please bring sunscreen & bug spray for outside time
- Send your child in comfortable clothing that they can play, get messy and have fun in.
- Send an extra change of clothes for your child. (Several if they are potty training)

Please check out our Parent Resources located in our staff break room. We have also added a suggestion box for you to let us know how we are doing. If you can take a moment to fill one out, we would greatly appreciate it.
