Preschool News

Welcome to the middle of summer and the wonderful Texas heat. With the temperature rising it is very important that we keep our children hydrated and protected while still allowing them to enjoy their outside time. Therefore, we will still be going out in the morning, and depending on the temperature in the afternoon we will cut the time in half or not at all. While outside, the children will be provided water every 10 minutes, and sunscreen will still be applied 30 minutes before outside time.

A Few Side Notes:

- All children need to be in attendance by 10AM. If you need to drop your child off later than this you must notify the center no later than 9AM.
- **Summer Camp Reminders:** Please check the front door for Field Trip Times and Locations. Wear the current Field Trip Shirt on all Field Trips and provide sunscreen for all outside field trips.
- To participate in Splash Day, you must have **water shoes**, come in your bathing suit/ shorts, towel, change of clothes and a bag to put all wet clothes afterwards. All items must be labeled with your child's first and last name.
- All vacations must be requested before the vacation is taken in order to receive accrued vacation credit.

Janae Jorgensen ~ Director

Spotlight on Staff

Ms. Ariel, our Infants Teacher, was selected by our family of employees as the June employee of the month. Ms. Ariel is a wonderful teacher who has really gone above and beyond in her classroom since she's been with us. She is sweet, patient and kind with the kiddos in her class and you can tell they really love her. She gets on their level while interacting with them making each child feel important and involved. Ms. Ariel is an extremely hard worker and is very passionate about all of the children she works with. We are very lucky to have her as a member of the Tree House team.

July Birthdays:
