

Tree House Academy Newsletter 2022

Hello THA families!! With summer slowly coming to an end, we will now be preparing the classrooms for our Frog Street 2022-2023 school year. We are looking forward to a great school year.

If your child is in elementary school or will be going to kindergarten this year, please let us know if you will be needing transportation to and from their school. If your child's school isn't on one of our lists, please add the school to the "Other School" list. We are looking into adding more schools to our current routes. We hope to be able to accommodate you.
