September 2022

Preschool News

Welcome to September and the official start of the school year! We hope to make the 2022-2023 school year a fun and rewarding time for all of our students, staff and families. With everyone's help and involvement I know it will be a success!

We will officially begin our Frog Street Press curriculum this month in all classrooms from our Infants to our Pre-K class. We start our curriculum after breakfast, which is at 8:30am, so please have your child here by then so they are able to get the full benefit of our wonderful curriculum.

September also marks the beginning of the Fall (Autumn) Season and the start of cooler weather. Please make sure to send "weather appropriate" changes of clothes labeled with your child's name on them.

A Few Side Notes:

- Please do not bring any toys from home. Not only do they distract from the classroom activities but we also do not want anything to go missing.
- Make sure to bring a Backpack with your child's belongings in it every week so that the items do not get lost. Each backpack needs to contain, nap items, changes of clothes and a reusable water bottle.
