Preschool News

November promises to be just as exciting around our halls as October. There are a few things we do need parent participation in to complete our projects/activities so, please make sure to pay attention to any email, note or flyer we post or send out.

A Few Side Notes:

• With the weather turning colder it is especially important that you are sending your child with a jacket everyday so that he/she may enjoy their outside time. It is also important you send a weather appropriate change of clothes in your child’s bag. Remember to label all extra clothes and jackets that you send to school.
• **Illness Policy:** We want to keep all our children and staff healthy this upcoming winter, so if your child is running a fever of 101.9°F or above and/or is exhibiting any signs of illness, please remember to keep your child home. Per our handbook, all children must stay out of care for 48 hours if running a fever over 101.9°F and/or exhibiting any signs or symptoms of illness. If you are starting antibiotics, they must be out for 48 hours after starting the antibiotic regime.
• If you wish to use available vacation credit for time off during the holidays, please make sure to request it in advance or we will not be able to give you the credit.

Audrey Maciel ~ Director

**November Birthdays:**
- LELAND B.
- CAMERON C.
- SOPHIA C.
- JOE O.
- JAYCE R.
- ELLIANA R.
