Preschool News

Christmas is almost here, and we couldn’t be more excited around Tree House Academy with all of the decorations and fun activities the holiday season brings. Please make sure you check out our Dates to Remember so your child can participate in everything this month has to offer.

A few Side Notes:

- **Book Exchange:** We will still be hosting our Annual Book Exchange this year on Friday, December 16\(^{th}\) @ 10:00 am. Please bring a “gender neutral” wrapped children’s book by Wednesday, December 14\(^{th}\) for your child to exchange with another child in the class. This also applies to the infants and toddlers.

- **Christmas Parties:** The classroom Christmas parties will take place on Friday, December 16\(^{th}\) @ 2:45 pm. Please see the classroom door for a list of items you can bring for the class. Remember that all items must be store bought in the original container and have no nut products in it.

- **Labeling:** Please make sure that your child’s jacket and all personal items brought from home have your child’s first name and last initial on it.

- **Outside:** We are required by the state licensing department to take children outside at least twice a day. Therefore, you must provide a jacket (with your child’s name on it) for us to put on your child to go outside. A doctor’s note will be required for any child being requested to not participate in outside time.

**Spotlight on Staff**

I would like to recognize and praise our entire Tree House Staff. Each one of them works hard every day to ensure your child is loved, nurtured, happy and learning. Our family of employees are very dedicated to the children and families we serve. The love and joy they share is evident as you walk through the halls each day and see all the smiling and laughing children. I couldn’t be prouder of our work family and thankful that I get to come to work every day with each of these wonderful people!
